

# CHILD, EARLY, AND FORCED MARRIAGE AND UNIONS (CEFMU) RESOURCES

USAID's Gender Equality and Women's Empowerment Hub (GenDev) has launched a suite of resources to support USAID and implementing partners to address CEFMU. These resources were developed for USAID's GenDev in collaboration with the *Collective Action to Reduce Gender-Based Violence (CARE-GBV)* activity.

**THEORY OF  
CHANGE**

**IMPLEMENTATION  
PLAN**

**LEARNING  
AGENDA**

**CUSTOM  
INDICATORS**

The goal of the Collective Action to Reduce Gender-Based Violence (CARE-GBV) activity is to strengthen USAID's collective prevention and response, or "collective action" in gender-based violence (GBV) development programming across USAID. For more information, [click here](#).
